RRHPC will also offer supervised **open ride nights on Tuesdays for adults and children** starting the first Tuesday in May.

**Important Notes:** Anyone who has not yet submitted their membership forms will not be permitted to ride at the grounds until their membership application is received by the National office. Only Pony Club members are covered by our insurance to ride on the RR grounds. This usually takes about 1 week from the time I mail the forms to the USPC. USPC and RRHPC requires an ASTM/SEI standard helmet, boots, and attached MEDICAL ARMBAND to be worn at all times while mounted and on the grounds. Please dress in appropriate and safe attire (tank tops not permitted).

Thank you and welcome to the wonderful world of Pony Club!
